In suspension of this office notification of sanction for Rs 192/- accepted in Proceedings of Government No. 2991-2 dated 30th August last has the honor to submit for sanction a revised estimate amounting to Rs 318/- for Constructing a Culvine in Kavinagere Municipality and to state that the excess amount may be met from the balance of Rs 144/ available under

F.W.K. other works original
95-96.

2. As the building now stands, the interior of each Compartment is exposed without any Arrangement being made to prevent persons from inside being seen without. To remedy this inconvenience it is thought advisable to screen one Latrine from the other with slabs 3 feet broad. The expenditure required for this as well as a few more items of work, since found necessary could not be met within the amount originally sanctioned. Consequently the estimate has been now revised

Sir,

With reference to the Proceedings of Government No 4103-4 dated 19th December 1895 R. 7.12-95 sanctioning an Estimate for Rs. 548/- on account of opening a road up to wood yard at Hanwella, I have the honor to state that in the above Estimate a sum of Rs. 65/- was provided on account of compensation payable for acquiring certain houses which lay across the road but in course of execution it was found that a few more houses had to be acquired at an extra cost of Rs. 24. I therefore request that the provision made in the Estimate under Compensation be raised from Rs. 65 to Rs. 89. The extra cost thus involved will be met from the amount of Rs. 123/- available out of the current year's Grant under Public Works Hanwella Town.
